**CONTEXT OF THE POST:**

Manchester is a growing global City with a population of circa 550,000 people, including an estimated 140,000 children and young people aged 0-19 years old. The city has faced significant cuts to its youth and play services over the past decade and with rising disproportionate child poverty rates when compared nationally, children and young people need universal services that empower them, aid their personal and social development and provide

positive opportunities more than ever. Manchester is bringing key cross sector stakeholders together including business, public and third sector leaders to develop and sustain a new world class Youth Zone in East Manchester.

OnSide Youth Zones, established in 2008, has been growing rapidly and has ambitious plans to create 100 Youth Zones in towns and cities, giving young people somewhere safe and inspiring to go in their leisure time. They are amazing places: accessible, vibrant, welcoming, fun and caring are just some of the words used by young people to describe their Youth Zone.
